Next to the Last

But, I am not gone. There are more things to say.

Hopefully, you have heeded my messages since August, 2006. I really have tried to get your attention.

Next year, LIONS, there will be writings on diabetes; but my publisher or editor, or whatever he thinks he is, has not decided what, where, and when.

Anyway, there are two more issues of which I should make you aware. The first, now, and the second next time...the BIG finish. Don't miss it!

Most of you can clearly see the largest organ in the body—if not, you can feel it. If you didn't have it, you would fall apart.

The skin is affected by diabetes. If you don't take care of diabetes—you know, control me or get rid of me—I can cause your skin a lot of trouble. Too gruesome to describe here; but I can show you some pictures. You all do want to look your best.

Be seeing you,
DM (Sugar Diabetes)

WHITE CANE – HUMANITARIAN

According to an ad in the W-S Journal, May 20, 2007, WFUBMC, Dept. of Ophthalmology, "Every 7 minutes someone in America will be blind or visually impaired."
WHAT CAN LIONS DO?

1. Reach our White Cane goal for 06'-07' of \$3,440. (\$86 per member x 40 members). 21 DAYS TO GO
2. Continue our D/H "SCREENINGS" indefinitely.

"Partner-In-Service"

The Mocksville LIONS Club has contributed to:

WILLIAM L. WOOLARD "PARTNER-IN-SERVICE" PROGRAM at the SUPPORTER level in recognition of the service to humanitarian needs and in recognition of JONATHAN WISHON.

The entry into the "Partner-In-Service" Program is the first by the Mocksville LIONS, while a LION, Jonathan, was recipient of the LIONS International President's Appreciation Award, a Melvin Jones Fellowship, and a Jack Stickley Fellowship.

LION William L. Woolard was President of LIONS Clubs International from 1989-1990. He was a member of the Charlotte Central LIONS Club, (The second North Carolinian to serve as LCI President).

Former LION Conducts Special Mocksville LIONS Meeting

On May 24th, eight rambunctious LIONS called on former LION and former two-term LION Club President, Jonathan Wishon, in his den at Silas Creek Manor. They found him alert and in control of the situation. He called the meeting to order and called for new business. Thereupon, he was read a letter written to him from the North Carolina LIONS Foundation recognizing him as a SUPPORTER in the William L. Woolard "Partner-In-Service" Program. LION Club President Frank Burgio, presented him with a certificate and pin. A standing ovation ensued. The second order of business was a wonderful visit with Jonathan, his mother, Dorothy, and his father, Roland. A closing prayer was offered in thanksgiving for Jonathan's progress by LION Perry Seawright. There being no further business, Jonathan recommended fines for the following in attendance, and adjourned the meeting.

Rick Raynor, Demsie Grimes, Perry Seawright, George Kimberly, Lucille Phifer, Linda Blackburn, Terry Van Etten and Frank Burgio.

Quotation for Consideration

"Never one thing and seldom one person can make for a success. It takes a number of them merging into one perfect whole.: " –Marie Dressler, Canadian actress (1869-1934)

A LION'S PRAYER

Our Father, in Heaven, thank You for the talents and treasures that we have to share with others who need our help and our support. Amen.

P.S. If members have accounts due now, do not pay, Club is apt to become impecunious
