PRESIDENT’S MESSAGE

First, let me say how pleased and honored I am to be President of the LIONS Club of Mocksville for 2007-2008.

Second, I look forward to working closely with the Executive Board and each and every Committee Chair to make this one of the best years yet for our club.

Third, I plan to do all I can to re-invigorate those members who have let attendance slip a little over the last couple of years.

And, finally, I promise each and every member of this club my total support in all fundraising activities and service projects this year. We have the potential to do great work for our community and our dedication to that end should not go unrecognized.

Thank you, again, for this privilege. --- Rick Raynor

THE LIONS ROAR

“A common denominator of successful people is that they are not satisfied and continually strive for improvement. Likewise, successful LIONS know that to stand pat is to invite complacency. We serve, but we also need to reflect on our service and to find a way to take our service to new levels.”

Albert F. Brandel  
Second International Vice President

TAYLOR ANN'S BENEFIT – A SUCCESS  
June 22, 2007

A harpist and pianist at the same function, at the same  
time by the same TEN year old person in Mocksville?!  
YES!! What a wonderful performance. What a classy  
event. Most of the tickets were sold – A good number  
attended. There were even refreshments, socializing,  
autograph signing and t.v. interviewing. It was shown  
on FOX the following week. Good job, everyone,  
especially, Taylor Ann. We are very grateful to her and  
her parents.
